

Dear Maine Snowmobile Association Members:

The snowmobile season is rapidly approaching and we are a month into another exciting hockey season here in Portland. I wanted to invite your snowmobile club and family members to enjoy a group night here at one of our upcoming Portland Pirates games.

Please give me a call today with 10 or more people to book your snowmobile group outing at any home game and receive our discounted rate of \$12 per ticket. Other great benefits include everyone in the group sitting together, your group being recognized on both the videoboard and in the "Daily Scroll" gameday program, as well as all group leaders receiving four (4) FREE flex tickets for use at a future game during the season.

This season as a featured promotion we also have motorsports night, Saturday February 4<sup>th</sup> at 7 PM, which will showcase different motorsports machines on display here at the arena. Please give me a call to discuss this further and reserve your group outing today.

If your group can't make it to a group outing, but would still like to come to a Portland Pirates game please visit the Maine Snowmobile Association's online store to purchase discounted tickets to selected games throughout the season.
